

The PID Child Sponsorship Program

Sponsored Child	
	Name: Ederson Muraille
	Birth Date: January 21, 2005
	Children in Family: Four
	Hometown: Port au Prince, Haiti
	Mother: Darline Jean
	Father: Deceased

Family History:

Ederson's father died in 2007 leaving his mother struggling to support four young children on her own without a job. She constantly seeks employment but has not had luck finding a steady job. They are having trouble making ends meet and the children are showing signs of malnutrition. Most days, they get one small meal without much nutritional value.

How You Are Helping:

With your help as a sponsor, Ederson will begin preschool, receive complete medical care and be put on a nutritional feeding program so he can grow and develop properly. Thank you for caring!

Thank You For Sponsoring A Child With Partners In Development!
