### Family History:

Cornelio Juárez Dionicio is 6 years old. He likes to paint and attend school. His father is a day laborer and his mother is responsible for the demands of the home and care of the family. The house where they live is loaned to them given that the monthly income of the father is very low. He can barely feed his family, and so they haven't enough money to have a house of their own nor to cover all the expenses of the family.

### How You Are Helping:

With your help as a sponsor, infants through sixth grade will receive nutritional support for them and their family, complete medical and dental care, new clothes and shoes for school.

After sixth grade, the child will receive complete medical and dental care, school tuition, supplies, transportation and a complete set of new clothes and shoes each year. Thank you for caring!
