The family Suhul Barco is very numerous, being made up of 11 members: the parents, their own 6 children, and 3 nephews for whom they are now in charge since their parents have died. So they are requesting that their child Jose Armando Suhul Barco be accepted into the sponsorship program in order to help out the family economically. Since the father's salary is very low, he is unable to support his family. **Jose Armando loves to attend school and is a good student.**
